The possibilities for healing our energy, ourselves, and our planet are explored in WE ARE THE ANGELS, the groundbreaking book from Diane Stein. Based on the premise that the Earth and all beings are one, she masterfully presents a detailed understanding of Karma—the accrued lessons of past lifetimes continuing in the present—and the process of healing and releasing karmic patterns and situations. We are introduced to the Lords of Karma, the supreme karmic record keepers working for our benefit at all times, able to grant requests for changed or released karma to those who ask for it. WE ARE ANGELS will appeal to everyone longing to remove suffering and obstructions from their current and past lives.

**Astral Projection & Astrology** - Mia Rose - 2019-12-03

If you have ever pondered the mystery of Astral Projection, Astrology & Out-of-Body-Experiences & wondered if they are real then continue

Astrology goes back thousands of years. Our ancient ancestors looked to the sky for many of their answers. Throughout most of its history, astrology was considered a scholarly tradition and was common in academic circles, often in close relation with astronomy, alchemy, meteorology, and medicine. Taking a look at the science, the facts and the speculation behind both the near-death experience and the concept of Astral Projection, this book will provide you with a solid introduction to the experience of travelling beyond your own physical reality. The book also covers the basic principles behind Astral Projection including everything you need to know to begin exploring the phenomenon for yourself. Using tried and tested methods, the book looks at how to prepare yourself to project beyond your own physical body, what to expect when you do and how take the first steps in order to achieve your first out-of-body experience. The keys to
the symbolism, both ancient their groupings into elements, qualities, ruling planets and more. This book contains information on each of the traditional Western signs of the Zodiac. In a full new examination of the traditional Zodiac, this book looks at the popular interpretations of the signs and symbols it contains. In this Book you will discover the realities and benefits of Astral Travel along with a look at the dangers involved (and also how to deal with them). The information in the book is presented in a simple, easy to understand format and the exercises included in the book are designed to be easy for the beginner to both understand and put into practice. Inside the Book you'll also get: Zodiac Controversies Astrology In The Eyes Of Our Ancestors Astrological Charts And Their Significance Explanation Of Each Of The 12 Western Zodiac Signs Love And Relationship Profiles Of Each Zodiac Sign Personality And Compatibility Profiles Of Each Zodiac Sign Ideal Careers For the 12 Zodiac Signs Explore and modern The Facts, the Fiction and the Science behind Astral Travel The Basic "Rules" and Techniques of Astral Projection The Realities and Benefits of Astral Projection The Dangers of Astral Projection - And How to Protect Yourself And much, much more The book also places them in context with their ancient meanings. While some astrological signs are easy to interpret, others have deeper meanings and associations now overlooked in the modern world. It's a journey through the fascinating human traits that the Zodiac provides a reference for and, like all exciting journeys, may contain a few surprises. Also containing an introduction examining why the sky (and what was going on up there) was so important to our ancestors, this book takes a deeper look at how the influence of the stars can fashion those of us who live our lives in their shadows. **Jung’s Studies in Astrology**
- Liz Greene - 2019-09-04
Winner of the IAJS award for best authored book of 2018!
C. G. Jung had a profound interest in and involvement with astrology, which he made clear in virtually every volume of the Collected Works, as well as in many of his letters. This ancient symbolic system was of primary importance in his understanding of the nature of time, the archetypes, synchronicity, and human fate. Jung’s Studies in Astrology is an historical survey of his astrological work from the time he began to study the subject. It is based not only on his published writings, but also on the correspondence and documents found in his private archives, many of which have never previously
psychological astrology. Greene addresses with thoroughness and detailed scholarship the nature of Jung’s involvement with astrology: the ancient, medieval, and modern sources he drew on, the individuals from whom he learned, his ideas about how and why it worked, its religious and philosophical implications, and its applications in the treatment of his patients as well as in his own self-understanding. Greene clearly demonstrates that any serious effort to understand the development of Jung’s psychological theories, as well as the nature of his worldview, needs to involve a thorough exploration of his astrological work. This thorough investigation of a central theme in Jung’s work will appeal to analytical psychologists and Jungian psychotherapists, students and academics of Jungian and post-Jungian theory, the history of psychology, archetypal thought, mythology and folklore, the history of New Age movements, esotericism, and

The Astrological World of Jung’s 'Liber Novus' - Liz Greene - 2018-02-21
C. G. Jung’s The Red Book: Liber Novus, published posthumously in 2009, from an inner state of alienation and depression to the restoration of his soul, as well as offering a prophetic narrative of the collective human psyche as it journeys from unconsciousness to a greater awareness of its own inner dichotomy of good and evil. Jung utilised astrological symbols throughout to help him comprehend the personal as well as universal meanings of his visions. In The Astrological World of Jung’s Liber Novus, Liz Greene explores the planetary journey Jung portrayed in this remarkable work and investigates the ways in which he used astrological images and themes as an interpretive lens to help him understand the nature of his visions and the deeper psychological meaning behind them. Greene’s analysis includes a number of mythic and archetypal elements, including the stories of Salome, Siegfried and Elijah, and demonstrates that astrology, as Jung understood and worked with it, is unquestionably one of the
as well as universal meanings stones of analytical psychology, and an essential part of understanding his legacy. This unique study will appeal to analytical psychologists and Jungian psychotherapists, students and academics of Jungian and post-Jungian theory, the history of psychology, archetypal thought, mythology and folklore, the history of New Age movements, esotericism and psychological astrology.

The Horoscope The mystical journey of the modern hero - Ralitsa Sartsanova - 2014-10-25

The astrologic map or horoscope reveal our real nature and soul. When we feel lost in the labyrinth of life, it will serve us as a compass sent from Gods and cosmic forces to show us the direction in which we can go further, the direction of our heart and soul. Horoscope is a projection of our personal soul and of our real nature. It covers what we are, but not what we are required to be. It greatly illustrates our own myth and tale, shows those parts of us we are in connection with and those we are disconnected with.

Through the native map we can reconstruct (restore) this relation between spirit and soul, respond to the authentic Ego without having fear from the environment, bring together opposites and become one with the cosmic soul. The horoscope gives the most truly and closes direction to our psychic, spiritual and real nature. It can wakes up the hero/soldier

us and motivate to undertake those big journey-challenge in the process of which we stand up in front of our self and our authentic nature. My aim in this book is to join you to the journey of the hero in each of you, i.e. from your birth itself, through the process of grow up, mature and to the end of the adventure. As much as closer to it we are, much more things we understand for our self and for our real nature, for our authentic Ego.

**Person-to-Person Astrology**
- Stephen Arroyo - 2011-06-21
Using a new language of energy based on the ancient “four elements” and in harmony with that used by the more advanced healing arts, renowned author Stephen Arroyo here explores how astrology as a language of energy can be astoundingly accurate and useful in illuminating individuals’ energy exchange in all close relationships. The preface, author’s note, introduction, and early chapters of Person-to-Person Astrology lay the groundwork for serious consideration of astrology as a significant discipline. The following chapters detail the influence of the four elements—Fire, Earth, Water, Air—on the 12 signs, with a particular emphasis on the rising sign (Ascendant). The author shows readers how to experiment by comparing birth charts, and explains,
consideration of astrology as people’s psychological motivations and needs based on the positions of their Moon, Venus, and Mars. Appendices include astrological definitions, keywords, and sign tables that allow readers quick access to the basics. Written in the author’s trademark clear, accessible style, Person-to-Person Astrology presents a new approach to finding fulfillment in any kind of relationship.

If you are interested in understanding more about your true self, the purpose of life and your spiritual path, Esoteric Astrology is the book for you. You will be guided into a deeper dimension of astrology and the spiritual laws behind all life, for example the law of reincarnation and karma. There is a great difference between esoteric astrology that interprets the horoscope from the viewpoint of the soul, and traditional astrology that often is preoccupied with outer events and the desires and reactions of the outer self. An esoteric astrologer looks for the purpose of the soul, and the inner causes behind what happens to you in life. What are your talents and limitations, so that you can make use of and increase your good sides and eliminate or limit the bad habits. The book helps you to understand more about yourself. But to this is added astrology for humanity and nations, how astrological energies are influencing and are determinative for society. From the perspective of a spiritual background, this is indeed an entirely new way of looking at our civilization. soul, and the inner causes behind what happens to you in life. **Transformation of the Psyche** - Joseph L. Henderson  
- 2004-06-02
Written by Joseph L. Henderson, one of the first generation of Jungian analysts, and Dyane N. Sherwood, a practising analyst, this book is a striking and unique contribution to the resurgence of interest in alchemy for its way of representing the phenomenology of creative experience. Transformation of the Psyche is organized around 22 illuminated paintings from the early Renaissance alchemical manuscript the Splendor Solis, and is further illustrated by over 50 colour figures. The images of the Splendor Solis are possibly the most beautiful and evocative alchemical paintings to be found anywhere, and they are widely known to students of alchemy. Jung reproduced several Splendor Solis images in his works, yet prior to this book no one has explored the a series in relation to the process of depth psychological transformation. This book is the first scholarly study of the paintings in their entirety, and of the mythological and historical allusions contained within the images. Transformation of the Psyche does not simply explain or analyze the pictures, but invites the reader to participate in the creative and transforming process evoked by these images. Transformation of the Psyche is a truly unique book that will be of immense value and interest to analysts and psychotherapists, as well as scholars of mediaeval and renaissance intellectual history and students of spiritual disciplines.

This is the personal story of a missionary priest in the Philippines. Upon his return to the States he began an inner spiritual journey to discover his true self. He uses the science of psychology and dreams to learn about the unconscious part of his personality. The art/science of Astrology is explored to find his potential energy for personal development. He believes the spiritual challenge for the New Millennium is becoming spiritually mature, being fully alive and responsible for ones actions, and developing ones full potential as created by God. This is all within the context that the universe is a unified whole, interconnected and interdependent.
