Sociologist Amitai Etzioni (1975) posited that formal organizations fall into three categories. Normative organizations, also called voluntary organizations, are based on shared interests. As the name suggests, joining them is voluntary and typically done because people find membership rewarding in an intangible way.

**Impact of Servant Leadership on Performance: The Mediating**
Jan 23, 2020 · Greenleaf's (1977) conceptualization of servant leadership as a distinct style introduced a new stream of research in the leadership literature. The focus then shifted from the leader's persona to that of others and led to a concept of leadership where the leader was in the service of others while at the same time practiced listening, built consensus, and provided...

Why operations management is one of the biggest needs in Leadership. Leaders need to embody the culture and mission of the organization in order to motivate and unify their team. So, if someone doesn’t have good fit with effective altruism it makes it hard for them to be promoted into leadership positions in the future. This dramatically reduces their long-term potential for impact in the organisation.

Leadership: Meaning, Characteristics and Functions
ADVERTISEMENTS: Meaning: Leadership is an important element of the directing function of management. Wherever, there is an organized group of people working towards a common goal, some type of leadership becomes essential. “The power of leadership is the power of integrating. The leader stimulates what is best in us he unites and concentrates what we […]
